Coffee P troring of the Marcos and Rorene ks Being Investigated.

The police of the Sixteenth Precinct, Williamsburg, were instructed by Coro- bodies. ner Creamer to-day to thoroughly investigate the case of the Marco family, who were poisoned after drinking coffee, and one of whom has since died. At the same time Dr. Freel was directed to hold an autopsy on the body of Mrs.

hold an autopsy on the body of Mrs. Rebecca Marco, theyletim.

Dr. Levy, who attended the woman, said he had not prescribed arsenic of copper for her.

The family also say that there is no poison in the house, and it is a mystery how the coffee became contaminated.

Mrs. Marco, who was an invalid, was given the coffee last night by her stepmorther. Mrs. Roseneck, with whom she and her husband lived, at 311 Wallabout street. Mrs. Marco compained of the taste, and to reassure her all the people in the room drank of it.

Within a few minutes all were attacked with terrific cramps. Mr. Marco took some of the coffee to a druggist, who said there was arsenite of copper in it.

A physician was summoned, but Mrs. Marco died later in terrible agony.

Justice Bartlett, of the Supreme Court. Brooklyn, this morning handed down a decision directing Referee Samuel F. Prentice to return a diamond flow a level and a section of the Mrs. Henry E. Among the witnesses who have already given testimony is Supt. Blood of the Long Island Railroad. It is understood that he was very closely questioned by the members of the Grand Jury as to the character and efficiency of the men who were employed on the two trains which collided, as well as the switchmen in the tower-houses, and the methods employed by the Company to prevent such accidents.

Supt. Blood was called upon to fully explain the workings of the block signal system, as it is claimed that the block signals were not properly operated at the time of the collision.

The Grand Jury are expected to visit the scene of the disaster and personally inspect the block signals before they finish the investigation.
